

WASH UP EME

GENERAL PURPOSE DETERGENT

DESCRIPTION

WASHUP-EME is formulated and approved for the use in food processing plants.

WASHUP-EME is suitable for use as a general purpose detergent for cleaning floors, walls etc, containing no added colours or scents.

WASHUP-EME has a neutral pH and is kind to the skin. However where prolonged use is experienced, gloves should be worn as all detergents remove the skins natural oils and cause dryness of the skin.

FEATURES & BENEFITS

- WASHUP-EME removes grease and grime quickly leaving surfaces sparkling clean.
- WASHUP-EME is biodegradable and will not harm the environment
- WASHUP-EME is safe to use on hard surfaces and will not damage paint
- WASHUP-EME is fast acting with hot or cold water
- WASHUP-EME is kind to hands
- WASHUP-EME is approved for use in food processing plants
