

Lavish

PREMIUM ALL PURPOSE DETERGENT

DESCRIPTION

LAVISH is a premium biodegradable detergent with a lavender fragrance for hand dishwashing that will cut grease and grime quickly leaving dishes, pots and pans, glassware and cutlery sparkling clean.

LAVISH surpasses the requirements needed for light and heavy sink dishwashing, contains a pleasant non residual perfume and is effective in hard water conditions.

USES

LAVISH is ideal for use in domestic, commercial and industrial application, including the food and catering industry.

APPLICATION

LAVISH is used for manual washing of dishes, pots, pans and as a general cleaner for floors, walls, vehicle washing, etc.

NORMAL DISHWASHING - 10ml per 10 litres of water

POT WASHING - 20ml per 10 litres of water

VEHICLE WASHING - 10ml per 10 litres of water

GENERAL CLEANING - 10ml per 10 litres of water

FLOOR CLEANING - 10ml per wringer bucket

DISPENSERS

For more economical use we recommend LAVISH be used through a wall mounted push pump proportioner which will save wastage and over use.

WARNING

Avoid eye contact.

FIRST AID

If poisoning occurs contact a doctor of poisons information centre. PH 13 11 26. If swallowed do not induce vomiting, give milk or water and seek medical advice. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

PACKAGING

LAVISH is available in 1, 5, 15, 25 and 200 litre containers. Dispenser pumps to suit 5 litre containers are also available.
