

# CW TYRE & ENGINE

## HIGH PERFORMANCE CONCENTRATED DEGREASER AND CLEANER

### DESCRIPTION

CW TYRE & ENGINE is a high foaming concentrated cleaner which safely cleans tyres and wheels and provides engine degreasing.

CW TYRE & ENGINE is fluorescent yellow with a mint scent.

### DIRECTIONS

- Dilute with water in ratio of 1:6 for cold water machines and 1:10 for hot. Apply with a spray applicator and hose off with a high pressure cleaner. Product can be hosed off immediately but best results when left for a few minutes.
- Do not leave to dry on painted surfaces.
- Is safe to use on most surfaces including reactive metals and can be used safely at recommended concentrations. Surfaces should be tested for colourfastness and other reactions. Undiluted product could affect some plastic surfaces but not after diluted with water.

### WARNING

Avoid skin and eye contact

### FIRST AID

If poisoning occurs contact a doctor or poisons information centre. PH 13 11 26. If swallowed do not induce vomiting, give milk or water and seek medical advice. If skin contact does occur remove contaminated clothing and wash thoroughly with water. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

**PACKAGING**

CW TYRE & ENGINE is available in 15 and 200 litre containers.
