

TYRE GLOSS

TYRE AND WHITewALL CLEANER/REJUVENATOR

DESCRIPTION

TYRE GLOSS is a formulation of solvent type cleaners combined with gloss restorers and enhancers for use on all tyres and whitewalls.

Tyres and whitewalls may be cleaned and enhanced in one application.

TYRE GLOSS can be used on plastic bumper bars and trim work etc. TYRE GLOSS restores surfaces to a soft lustre shiny finish.

APPLICATION

Use TYRE GLOSS undiluted through a spray gun or mop on with a wet cloth. Apply an even liberal coating, rub vigorously and allow to dry.

If the tyre is in poor condition, a second application may be required.

WARNING

Avoid eye and skin contact. Tyre Gloss is flammable.

FIRST AID

If poisoning occurs contact a Doctor or Poisons Information centre. PH 13 11 26. If swallowed do

not induce vomiting, give a glass of water and seek medical attention. For eyes irrigate with water for 15 minutes and seek medical attention.

PACKAGING

TYRE GLOSS is available in 5, 15 and 25 litre containers.
