

SHIELD

SURFACE RESTORER AND PROTECTANT

DESCRIPTION

SHIELD is a water based silicone oil emulsion which provides a virtually non slip protective coating and enhances the gloss of surfaces.

FEATURES & BENEFITS

- SHIELD provides a non slip protective coating
- SHIELD will give a gloss finish to metal, wood, acrylic, rubber, vinyl and leather.
- SHIELD enhances and offers a durable protection film on furniture, vinyl roofs, tyres, plastic bumper bars, spoilers, rear screen protectors, dashboards, door trims, leather, vinyl, plastic luggage, vinyl upholstery, plastic and leather apparel.

APPLICATION

1. For best results clean surface with Challenge "Spray and Wipe" and allow to dry.
2. Apply undiluted shield by spray gun and spread over area with a damp cloth.
3. Should the surface be in poor condition, weather beaten, or porous then a second coat may need to be applied.

NOTE

- DO NOT use on floors (may cause slipping) or glass.
- DO NOT apply in direct sunlight or to hot surfaces.
- Shake well before use.

WARNING

Avoid eye contact.

FIRST AID

If poisoning occurs contact a doctor or poisons information centre. PH 13 11 26. If swallowed do not induce vomiting, give milk or water and seek medical advice. If skin contact does occur remove contaminated clothing and wash thoroughly with water. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

PACKAGING

SHIELD is available in 750ml, 5, 15 and 25 litre containers.
