

WHIZ

DETAILING SOLVENT CLEANER

DESCRIPTION

WHIZ is a blend of powerful hydrocarbon solvents and surfactants formulated for the rapid removal of vehicle wax, tar and bitumen spots, oil and grease marks from vehicles and equipment.

DIRECTIONS

1. Remove all ignition sources from work area.
2. For manual cleaning of oil, grease, tar spots etc, apply WHIZ to a cloth and rub affected area until clean.
3. For vehicle de-waxing, spray WHIZ on surfaces to be cleaned, allow to work before wiping off with a cloth or washing off with high pressure water.
4. Dispose of all WHIZ impregnated cloths responsibly.

WARNING

WHIZ is flammable.

FIRST AID

If poisoning occurs contact a doctor of Poisons Information Centre. PH 13 11 26. If swallowed do not induce vomiting, give a glass of water and seek medical advice. If skin contact does occur

remove contaminated clothing and wash thoroughly with water. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

PACKAGING

WHIZ is available ex stock in 25 and 200 litre drums.
