

CHEMTREAT 18

BIODEGRADABLE, QUICK BREAK MULTI-PURPOSE CLEANER & DEGREASER

Description

CHEMTREAT 18 is a quick breaking biodegradable detergent allowing rapid separation of oil and grease residues from cleaning solutions in line with modern efficient disposal requirements.

Benefits

- ✓ Water based, non-flammable and can be used underground and in areas where flammable products are prohibited.
- ✓ Will not harm paintwork and will remove grease, oil, dirt and grime from all hard surfaces.
- ✓ High dilution rate and is therefore quite economical.
- ✓ The versatility of CHEMTREAT 18 will meet all cleaning and maintenance requirements of all hard surfaces in domestic, commercial and industrial applications.

Where to Use

Chemtreat 18 can be used on heavy machinery, trucks, mining equipment, car washing, pressure and steam cleaning, garages, workshop floors as a high powered cleaner and safe water based degreaser.

Directions

CHEMTREAT 18 can be used by mop, spray and pressure cleaners for washing all types of vehicles, machinery, plant and equipment.

Dilution rate depends upon the amount of soilage and cleanliness requirements

Heavy Cleaning - 1 to 80 parts water

Degreasing - 1 to 3 parts water

Medium Cleaning - 1 to 100 parts water

Light Cleaning - 1 to 150 parts water

Pressure Cleaning - 1 to 5 parts water and then add to the cleaner

First Aid

If poisoning occurs, contact a doctor of Poisons Information Centre. PH 13 11 26. If swallowed, DO NOT INDUCE VOMITING. Give a glass of water. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor. If skin contact occurs, remove contaminated clothing and wash skin thoroughly.

Packaging

CHEMTREAT 18 is available in 5, 20, 200 and 1000 litre containers.
