

DERMA FOAM

FOAMING HANDCLEANER

Description

DERMA FOAM is a high foaming, water based hand cleaner formulated for the fast removal of most industrial and commercial soils. Derma Foam contains lanolin for skin softening and is pH Neutral. Now with a new fresh Boronia fragrance.

Benefits

- ✓ High foaming for economical use.
- ✓ Contains lanolin for skin softening and to replace the skins natural oils that repeated washing takes away.
- ✓ Does not contain any solvents or other ingredients which may harm the skin. It is neutral to the skin and is milder than common soap, rinses off freely.
- ✓ Contains a pleasant, fresh Boronia fragrance.

Where to Use

Apply to the palm of the hand, rub well into the skin and rinse off with hot or cold water.

Directions

Apply to the palm of the hand, rub well into the skin and rinse off with hot or cold water.
