

# HIBRITE

## CREME CLEANSER

### Description

HIBRITE is a creme cleanser formulated for cleaning, scouring and polishing without scratching delicate surfaces. HIBRITE'S inbuilt polish also retards soilage, repels water, enhances the finish and protects the surface by leaving a thin film which resists the embedding of dirt and makes the surface easier to clean.

### Benefits

- ✓ Cleans and polishes
- ✓ Retards soils and contaminates for building up on surfaces.
- ✓ Safe and easy to use
- ✓ Pleasant fragrance.

### Where to Use

Used to clean and polish many surfaces including sinks, taps, cooktops, benchtops and much more.

### Directions

Apply directly to a damp cloth, rub the surface in circular motion and wipe off with a clean soft dry cloth for clean and shiny finish.

### Warning

Avoid eye contact.

### First Aid

If poisoning occurs contact a doctor of poisons information centre. PH 13 11 26. If swallowed do not induce vomiting, give milk or water and seek medical advice. If skin contact does occur remove contaminated clothing and wash thoroughly with water. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

### Packaging

HIBRITE is available in 500ml and 5L litre containers.
