

# KEELATE

## DUAL ANTI-SCALE, DISHWASHING DETERGENT

### Description

KEELATE is formulated as a dual dishwasher detergent and anti-scaling agent. Keelate will provide outstanding results removing grease, grime and food debris, while keep your dishwashing machine free of scale and lime build up.

### Benefits

- ✓ Contains anti-scalants specifically added to minimise unsightly scaling in automatic dishwashing machines.
- ✓ Highly alkaline solution for the fast and effective removal of grease and grime.
- ✓ Heavily reduces labour time and down time in machine descaling maintenance.
- ✓ Reduces power costs though no scale build up on heating coils.

### Where to Use

Dishwashing detergent for fast effective cleaning and scale protection for commercial dishwashing machines

### Directions

KEELATE should only be dispensed by way of an Automatic Dispenser Feeder System.

Challenge representatives can advise you on the correct dispenser system for your type of machine to save you labour and money. The Electronic Dispenser Systems give absolute control over detergent usage, resulting in minimum operating costs.

Note: For maximum results in obtaining clean streak free dishes, it is recommended that CLEANDRY rinse aid be used through the rinse cycle of the machine.

### Warning

Avoid skin and eye contact. KEELATE should not be used for hand washing of dishes.

### First Aid

If poisoning occurs contact a Doctor or Poisons Information Centre. PH 13 11 26. Do not induce vomiting. If swallowed give a glass of water and seek medical advice. If skin contact occurs remove contaminated clothing and wash the affected areas with water. For eyes, irrigate with water for 15 minutes and seek medical advice.

### Packaging

KEELATE is available in 5 and 15 litre containers.
