

LAND AND SEA

HAIR SHAMPOO/HAND CLEANER/BODY SOAP

Description

LAND AND SEA is a balanced formulation of surfactants and emollients in a thick liquid form for general hand cleaning, body washing and shampooing of hair. LAND AND SEA provides a rich, creamy and lubricant foam even when used in salt water or hard water conditions.

Benefits

- ✓ Suitable for use with hard water and sea water.
- ✓ Produces a rich foam even when used in salt water or hard water environments
- ✓ pH neutral and biodegradable.
- ✓ Natural moisturisers with a pleasant fresh fragrance.

Where to Use

A liquid all over body wash, shampoo and hand soap for use in salt water or for extreme hard water areas.

Directions

Apply an amount to the hand and rub into the area to be cleaned and rinse off.

First Aid

If poisoning occurs contact a doctor or Poisons Information Centre. PH 13 11 26. If swallowed do not induce vomiting, give a glass of water and seek medical advice.

Packaging
