

NIL ODOUR

ORGANIC ODOUR ELIMINATOR

Description

NIL ODOUR is an all purpose organic odour eliminator that eradicates organically based odours including tobacco smoke and decomposing garbage by reacting with the odour causing molecules to form odourless and safe molecules. NIL ODOUR convert toxic and offensive odours into safe and non-offensive molecules. This is achieved as NIL ODOUR

Benefits

- ✓ Eliminates not masks odours
- ✓ Non-toxic, non-hazardous and non-flammable.
- ✓ Biodegradable
- ✓ Non-staining

Where to Use

Eliminates odours such as: Tabaco smells, Urine odours, Organic waste odours

Directions

No special precautions necessary beyond normal good occupational work practice. Direct a few sprays toward the source of the odour. Wait until fragrance has disappeared. If the odour still remains after fragrance has disappeared repeat the process again. Continue until the troublesome odour has been eradicated.

First Aid

If poisoning occurs contact a doctor or Poisons Information Centre. PH 13 11 26. For eyes, irrigate with water for 15 minutes and seek medical advice.
