

SHIELD

STAINLESS STEEL POLISH/CLEANER, SURFACE RESTORER AND PROTECTANT

Description

SHIELD is a water based silicone oil emulsion which provides a protective coating and enhances the gloss of surfaces.

Benefits

- ✓ SHIELD will give a gloss finish to stainless steel, wood, acrylic, rubber, vinyl and leather.
- ✓ SHIELD enhances and offers a durable protection film on furniture, vinyl roofs, tyres, plastic bumper bars, spoilers, rear screen protectors, dashboards, door trims, leather, vinyl, plastic luggage, vinyl upholstery, plastic and leather apparel.

Where to Use

- ✓ Shine and protection to vinyl's and rubbers within vehicles
- ✓ Used as a tyre gloss
- ✓ Furniture and stainless steel polish and cleaner

Directions

1. For best results clean surface with Challenge "Little Ripper" and allow to dry.
2. Apply undiluted by sprayer and spread over area with a damp cloth.
3. Should the surface be in poor condition, weather beaten, or porous then a second coat may need to be applied.

Note

DO NOT use on floors (may cause slipping) or glass.
DO NOT apply in direct sunlight or to hot surfaces.
Shake well before use.

Warning

Avoid eye contact.

First Aid

If poisoning occurs contact a doctor of poisons information centre. PH 13 11 26. If swallowed do not induce vomiting, give milk or water and seek medical advice. If skin contact does occur remove contaminated clothing and wash thoroughly with water. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

Packaging

SHIELD is available in 750ml, 5 and 25 litre containers.
