

# SURGIDET

## PREMIUM ALL PURPOSE SINK DETERGENT

### Description

SURGIDET is a premium biodegradable detergent for hand dishwashing that will cut grease and grime quickly leaving dishes, pots and pans, glassware and cutlery sparkling clean. SURGIDET surpasses the requirements needed for light and heavy sink dishwashing, contains a pleasant non-residual perfume and is effective in hard water conditions.

### Where to Use

For use in hand dish and pot washing. Cleaning kitchen surfaces and equipment.

### Directions

SURGIDET is used for manual washing of dishes, pots, pans and as a general cleaner for floors, walls, vehicle washing, etc.

- NORMAL DISHWASHING - 10-20ml per 10 litres of water
- POT WASHING - 20-40ml per 10 litres of water
- GENERAL KITCHEN CLEANING - 60ml per 10 litres of water

Recommend to be used through a wall mounted push pump proportioner which will save wastage and over use.

### Warning

Avoid eye contact.

### First Aid

If poisoning occurs contact a doctor of poisons information centre. PH 13 11 26. If swallowed do not induce vomiting, give milk or water and seek medical advice. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

### Packaging

SURGIDET is available in 5 and 15 litre containers.
