

WETSUIT WASH

WETSUIT, WATERSPORTS & BOAT WASH

Description

WETSUIT WASH will remove mould, kill germs, deodorises and softens wetsuits fabrics. Our specialised formulation will condition rubber, silicon and neoprene. Colours will brighten and fading is prevented. The regular use of WETSUIT WASH will prolong the life of your wetsuits and gear.

Benefits

- ✓ Kills germs
- ✓ Deodorises
- ✓ Softens wetsuit fabrics
- ✓ Prolongs the life of wetsuits and gear.

Where to Use

Wetsuit and gear wash and conditioner. Regular use is recommended for all watersports equipment including wetsuits, masks, BCD's, dive gear, sailing, surf and water sports equipment. Also a great boat wash to remove salt water.

Directions

WETSUIT & GEAR WASH: Add approx. 3-4 caps to 25 litres of water. Gentle wash by hand and allow to soak for a min of 15 mins or upto 2 hours for best results. Rinsing not required. Do not pour Wetsuit wash directly onto gear. Dry in shade, Do not dry in direct sunlight.

BOAT WASH: Dilute 100ml per 10 litres of water. Spray, brush or foam over all areas of the boat.

Warning

Avoid eye contact.

First Aid

If poisoning occurs contact a doctor or poisons information centre PH 13 11 26. If swallowed do not induce vomiting and, give a glass of water and seek medical advice. For eye contact, irrigate with water for 15 minutes and if irritation persists seek medical advice.

Packaging

WETSUIT WASH is available in 5 litre containers.
